

The Ultimate Real Estate Solution

"Digital RE has made it so easy to keep track of all of our files. I especially love the tickler system and conversation log."

Marcia G., Esq.

"I created my first custom document yesterday and boy was I surprised of how easy it was. Tomorrow I am going to convert all of my form letters so that I can use them in Digital RE."

Kimberly P., Esq.

Digital RE

The Ultimate Real Estate Solution

Finally...

Software that runs your entire residential real estate practice. There is nothing like it on the market today! This innovative transaction management software is feature rich and user friendly. Digital RE will enable your office to close real estate transactions quickly and efficiently.

A Simple Solution...

Digital RE was designed by real estate practitioners for real estate practitioners. The intuitive layout is easy to learn and Digital RE' features are quickly mastered by even the most novice of users.

Document Preparation...

From industry standard documents, to HUD-1 and HUD1-A Settlement Statements and many other real estate related documents, Digital RE makes creating them as simple as pressing a button. And adding your own documents could not be easier.

Go Paperless...

Isn't it about time that you rid yourself of all that paper? With our intelligent imaging and archiving feature you can scan all of your files and save them to your computer. Finding and printing a closed file takes only seconds.

Transaction Management...

Now you can access the status of all your files at the touch of a button. Keep your finger on the pulse of your business. Know all your file inventory, vendors, referral sources and much more instantly. Digital RE also tracks open conditions, conversations and contract dates.

And Check Writing Too...

Use pre-printed or blank check stock to create checks and then reconcile your account in minutes using a standard download from your bank.

Digital RE has completely automated the practice of residential real estate law by performing such tasks as:
